

PRIVATE TOKEN SALE AGREEMENT (WEX TOKEN)

(Enterprise-grade, aligned with your term sheet and investor expectations)

This Private Token Sale Agreement ("Agreement") is entered into on the date below between:

Issuer: Wnode Ltd (**Wenode**), registered in England No: 16363136 ("Issuer")

Registered Address: Unit A, 82 James Carter Road, Mildenhall Industrial Estate, Suffolk, United Kingdom, IP28 7DE

Jurisdiction: England & Wales

Purchaser: _____

Address: _____

Email: _____

1. Background

Wenode has developed a fully functional MVP demonstrating live orchestration, node execution, routing, and telemetry.

This Agreement formalises the Purchaser's acquisition of WEX tokens under the terms of the private sale.

Funds are used to scale, harden, and extend the existing system, not to create it.

2. Token Details

- Token Name: WENODE
- Symbol: WEX
- Chain: Polygon
- Decimals: 18
- Total Supply: 10,000,000 WEX
- Contract Address: 0x2b81AD43852b7226196EDd6B9E641F6E2A6F0D8a

- Minting Status: Fully minted and held by Issuer
 - Transferability: WEX becomes transferable immediately upon the Issuer enabling transfers on the smart contract. This is a single on-chain action controlled solely by the Issuer and takes effect instantly
-

3. Purchase Terms

Purchase Amount (USD): \$ _____

Price per WEX: \$0.10 USD (fixed, as per term sheet)

Total WEX Allocated:

\$1,000,000 USD (fixed, as per term sheet)

Wallet Address for Delivery: _____

Provided by Purchaser at signing

Vesting Schedule (as per term sheet):

- Cliff: 0 months
- Linear Release: 6 months
- Unlock Structure: 10% at TGE, 90% released linearly over 6 months

4. Nature of Tokens

WEX tokens are utility tokens intended for use within the Wnode network, including:

- access to network features
- participation in node operations
- governance functions (if activated in future)

WEX tokens do not represent equity, ownership, dividends, profit rights, or securities.

Nothing in this Agreement constitutes a financial return or investment contract.

5. Use of Funds

Funds may be used for:

- scaling the existing MVP
- hosting and infrastructure
- security hardening
- developer resourcing
- operational expansion
- production readiness

The MVP is already functional; funds accelerate growth.

6. Delivery Commitment

The Issuer commits to:

- maintain and evolve the existing MVP
- deliver WEX tokens according to this Agreement
- continue development toward production launch

The Purchaser acknowledges that timelines may shift based on technical and operational factors.

7. **Purchaser Acknowledgements**

The Purchaser confirms:

- They understand WEX is a utility token, not a security
- They are not relying on financial returns
- They understand token value may fluctuate

- **WEX** is a freely transferable digital token. Purchasers may hold, use, transfer, trade, or sell **WEX** on any supported wallet, DEX, or marketplace once transfers are enabled by the Issuer.
 - They have reviewed and accept the valuation, price, and vesting terms
-

8. Refunds

All purchases are final and non-refundable, except in cases of fraud or misrepresentation.

9. Compliance

The Purchaser agrees to comply with any reasonable KYC/AML requirements if requested.

10. Governing Law

This Agreement is governed exclusively by the laws of England & Wales. Any disputes shall be resolved in the courts of England & Wales.

11. Entire Agreement

This Agreement constitutes the full understanding between the parties and supersedes all prior discussions.
